

## MEMORANDUM OF UNDERSTANDING

This MEMORANDUM is made between:

**TVET UK Technical Vocational Education and Training UK**

**and Directorate of Technical Vocational Education, Ministry of Education and Culture of the Republic of Indonesia**

### 1 PREAMBLE

The purpose of this document is to provide a framework for collaboration between TVET UK Technical Vocational Education and Training UK as a representative of the UK skills industry and Directorate of Technical Vocational Education as a representative of The Ministry of Education and Culture of the Republic of Indonesia (the two partners) in the capacity building of the technical vocational education system

TVET UK enables international customers to access the UK's leading vocational education and training providers and suppliers easily and effectively through a single point of contact. Working with TVET UK provides access to an extensive network of members ready and able to work with customers all over the world to:

- quality assure existing training programmes or develop bespoke or internationally recognised UK training and qualifications
- implement best practice and policy
- send students to the UK
- develop in-country study programmes
- source top quality equipment and learning material suppliers

TVET UK will work with clients to understand their situation and needs, scope out an agreed approach and identify suitable TVET UK members to ensure success.

TVET UK is the only UK organisation focussing specifically on skills training within the international arena and so uses its unique position to represent the interests of the UK vocational education sector, and lobby on its behalf.

The Ministry of Education and Culture is the responsible authority for Education in the Republic of Indonesia.
